

TEARNEY TO PROPOSE WESTERN L. BREAK IN DIXIE 'WORLD SERIES'

Four Southern Clubs in Western Entitled to Consideration in Southern Championship—President Will Bring Proposal Up at St. Joe in February—Miniature Title Idea Gains in Popularity.

CHICAGO, Dec. 20.—Pennant winning baseball clubs in minor circuits are entering the miniature world's series field which promises to increase popularity of the sport as well as offering financial remuneration to players.

President Tearney of the Western league announced today that the president winner in his organization desires to break into the annual championship series in the Southern association and the Texas league.

Series Very Successful. These two organizations clash each year in a miniature world's series after their 154-game schedule is completed. This year, Fort Worth was the struggling loser, while the south, defeating Memphis, intense rivalry has been developed in professional baseball circles by such inter-league series.

In addition to the benefit derived from such a series, each player receives financial remuneration. In addition to getting all expenses and the regular salaries, the members of the Fort Worth club, the winners of the southern championship, this year received \$1,130 each as their share of the melon. The total series netted approximately \$60,000.

President Tearney is expected to present his plans for breaking into the southern series, to the club owners of the Western league at the annual meeting which is to be held at St. Joseph, Mo., February 20. The Western league includes four southern clubs and the real supremacy in the south cannot be determined unless the Western league is a participant in the championship, Tearney said.

Western Champ. vs. Winner. President Tearney proposes to have the two southern organizations clash in their annual post season series and for the winner of the series to meet the pennant winner in the Western league. He also has plans for the team winning second place in his league to share in the post season series money. The Western league schedule is drafted for 164 games. All three of these circuits are in class A.

This is not the only class, however, that is holding miniature world's series. Class AA baseball has got a treat at the end of the 1921 season when the Baltimore club of the International league and the Louisville, Ky., club of the American association clashed in a post season series. This series, like the one between the two southern circuits was also beneficial to the sport itself and to the players individually.

Kansas Deans Attack Girls' Basketball as Unmoral and Harmful

TOPEKA, Kan., Dec. 20.—Basketball as a sport among girl high school students in Kansas will soon be taboo, providing the plans of the Kansas Association of Deans of Women are carried out.

The association adopted the following resolution at its annual convention held here recently:

"Resolved, that whereas inter-scholastic basketball injures the girl student both morally and physically because of the constant chasing around to different schools in different parts of the country to participate in games, the Kansas Association of Deans of Women does not approve of inter-scholastic basketball for girls, and in the future the various deans of women at different schools and universities throughout Kansas will light all efforts of athletic organizations to hold girls' basketball tournaments in any section of the state."

"Kansas colleges did away with girls' basketball tournaments two years ago," Dean Susan H. Guild of Washburn college, Topeka, declared, "because we felt that it harbored no good for the girls. Now we want to see the high schools do the same thing we have done in the colleges."

Women from eighteen different Kansas colleges and universities attended the convention.

WINTRY WEATHER CUTS INTO CROWD AT HOUND RACES

Marblehead Cops Feature
Event; Oakland Hannah
Wins Distance Race

Flashy Sprinters to Clash This Afternoon in 3-Sixteenths Race

A three-sixteenths dash that will bring together the most sensational greyhound sprinters now quartered at the Midcontinent kennels is scheduled for Wednesday afternoon when Shookum, Arace, Kion and Cinder Path, 80 Long Dick.

Fourth race, purse \$10, 1-4 mile—Billy Ray, Honeyuckle, Stittin Bull, Flying Stone, Wildest Dillon, Night Cap.

Fifth race, purse \$10, 5-16 mile—Fair Chance, Handsome Buck, Red Parson, Julie Day.

Sixth race, purse \$10, 3-16 mile—Anna's Lily, Lilian Parson, Flying Clara, Playfellow, Wild Dillon, Stikum.

Shookum has been almost invincible the last three months, finishing splendidly in the fat meeting here and going nicely at St. Louis, where he raced in wonderful form at St. Louis and has continued it since returning to Tulsa, skimming the three-sixteenths distance Sunday in 19.1-5 to win by 15 lengths from the closest competitor in a good field. Cinder Path won his last out and seems to be in form. Kion is always dangerous at three-sixteenths, having beaten the best dogs in the country at that distance, including Mission Boy.

Interesting competition also is promised in other events on today's card. Three winners of their last-outs clash in the sixth.

The wintry blasts that swept down from the northland cut the attendance at Tuesday afternoon's greyhound racing program at Midcontinent park, but the faithful fans who did turn out witnessed some high class exhibitions of speed by the rabbit chasers.

G. R. Thompson's good dog, Marblehead, continued in nice form in the feature event of the day in handsy fashion from Shookum and Olive Cannon with a margin of five lengths over the second dog, Oakland Hannah took the distance event at five-sixteenths by a strong finish. Leading by a scant head in the stretch, Oakland Hannah had five lengths to spare over Mickey Clair at the finish. In the sixth race, Warlock II, Miss Vindicator and Flirting Boy finished in the order named with less than a length separating the first and third dogs. Rush Reuben, an old favorite, led all the way in the third race with The Tiger and Ernest Wild Bill finishing second and third. Foaming Creek, new to Tulsa race patrons, topped the first race, beating Long Goodie by a head.

Roper Kayos Al Roberts.

NEW YORK, Dec. 20.—Captain Bob Roper knocked out Al Roberts, Stater Island, heavyweight, in the final round of their 32-round match here last night.

French "Champ" a Setup.

BALTIMORE, Dec. 20.—Marcel Denis, heralded as the lightweight champion of France was nothing more than a "setup" for Frankie Rice, the Baltimore battler, in the opinion of fight followers here. Rice knocked out the Frenchman in the eighth round last night with a smash to the pit of the stomach. Denis was never dangerous.
